“ABOVE THE NOISE, WE MAKE OUR OWN”

Welcome to RADIO – where the skyline meets the city lights. Where taste, sound & sights come alive to excite your senses.

Immerse yourself in the rich history of broadcasting. This very location is the site of the first ever BBC broadcast in November 1922 from what was then Marconi House – named after the Father of radio.

The name RADIO keeps this history alive.

Elevating the ME London Rooftop experience, our bar is inspired by the iconic hotel bars of Tokyo & Singapore, delivering an authentically Asian drinking experience. We sous vide our fruit-forward cocktails to amplify the flavour, enhancing every sip.

Let the vibe carry you to new heights, away from the bustle of the city to a unique & extraordinary place.
